Gravestone Photographic Resource Project

The Gravestone Thotographic Photographic Photographic Photographic Fresearchers researchers

Run by volunteers, help is desperately needed with Photography, Indexing, Publicity and Administration

Gravestone Photographic Resource

S CAN.

CULBERT Fels ASI

The Gravestone Photographic Resource project is an attempt to provide a much needed on-line resource for family historians

Project

www.gravestonephotos.com

The Gravestone Photographic Resource is the hope of photographing and indexing historic graves around the world before the information is lost to the ravages of time.

Help Needed

As a volunteer organisation, help in needed with Photography, Indexing, Publicity, Administration and donations!

www.gravestonephotos.com

A 'FREE TO USE' project for genealogists and family history researchers
